Central Highlands Regional Council

Regional Economic Development Incentive policy

What is it....?

- The Regional Economic Development Initiative policy (REDI) enables Council to:
- Incentivise the recommendations & directions outlined in the Central Highlands Economic Masterplan (CHEMP)
- Continue to attract high quality economic development that improves the quality of life for its citizens
- Provide incentive packages that can assist with the stimulation of investment for development

How.....?

- Core Criteria
- Incentives
- Key Propulsive Businesses:
 - Research and development;
 - Value adding agricultural production;
 - Professional & business services;
 - Manufacturing;
 - Tourism;
 - Aged and disability care; and
 - Early childcare

How to invest in the future
